Although, it kind of wasn't an affair scene
Why was she there? Other than visiting him I mean...

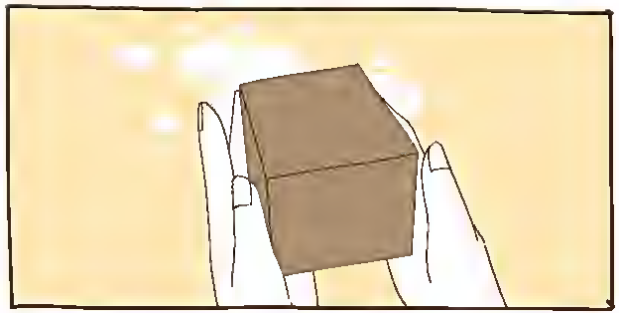
Such a sweet memory..
Ah.. Jung-Ah isn't coming today as well?
She said she's busy today, she has to clean her house or something... She's not replying.



"Most of the pass around 4-5 in the morning."
"This one was very youung and thin."

"Since it's a contagious disease,
you're going to have to cremate it."

It became...
This small...

I must be getting punished.
